**CEDAR PARK ROAD MAINTENANCE CORPORATION
POLICY FOR HANDLING CONFLICTS OF INTEREST
OF DIRECTORS**

Effective: December 8, 2013

1. Introduction. The Board of Directors (“Board”) of Cedar Park Road Maintenance Corporation, a Colorado nonprofit corporation (“Association”), acting pursuant to the powers set forth in the Association’s Bylaws, Articles of Incorporation, the Protective Covenants for Cedar Park (“Declaration”) (such documents being collectively referred to as the “Association Documents”), and the Colorado Common Interest Ownership Act, as amended (“CCIOA”), has enacted the following Policy effective as of the date set forth above. Unless the context otherwise indicates, capitalized words and terms shall have the meanings set forth in the Association Documents and, if not defined in the Association Documents, then as set forth in CCIOA. This Policy supersedes any previously adopted Policy on the same subject matter.

2. Policy Purposes. The purposes of this Policy are:

2.1 To set forth procedures and rules to identify and handle conflict of interest situations involving Directors

2.2. To provide a framework for appropriate education of existing and new Directors as to (a) their responsibilities in terms of timely disclosing conflict of interest situations and (b) the limits CCIOA places upon the participation of a Board member with a conflict of interest; and

2.3 To provide a mechanism for the Board to take up and reconsider any decision or action which may inadvertently be rendered without appropriate disclosure and handling of a Board member conflict of interest.

3. Identification and Disclosure of Conflict of Interest Situations.

3.1. Definition of Conflict of Interest. Unless the Declaration provides a more expansive definition, in which case the Declaration controls, a “conflict of interest” shall be defined as any contract, transaction, or other financial relationship between the Association and a director of the Association, or between the Association and a party related to a director, or between the Association and an entity in which a director of the Association is a director or officer or has a financial interest. A "party related to a director" shall mean a spouse, a descendent, an ancestor, a sibling, the spouse or descendent of a sibling, an estate or trust in which the director or a party related to a director has a beneficial interest, or an entity in which a party related to a director is a director, officer, or has a financial interest.

3.2 Declaration and Disclosure of Conflict of Interest. A Board member who has a conflict of interest regarding any contract, decision or other action shall declare and disclose the conflict of interest. In making such declaration and disclosure, the affected Board member shall:

3.2.1 Identify, by agenda item or otherwise with such particularity as necessary to identify the issue in question, the specific pending contract, decision or other action as to which the conflict of interest arises; and

3.2.2 Describe the person or person(s) who would financially benefit from the contract, decision or other action; and

3.2.3 Disclose the nature and magnitude of the financial benefit that would arise out of or as a function of the Board's decision on the contract, decision or other action.

4. Participation by Board Member Who has Disclosed a Conflict of Interest.

4.1 Discussion. Unless the Association Documents provide for stricter limits on participation, in which case such stricter limits control, a Board member who has a conflict of interest may, after identifying and disclosing the conflict, participate in the Board's discussion of the pending contract, decision or other action. However, upon either (a) the voluntary decision of the Board member who has declared a conflict; or (b) the vote of a majority of the then present Directors who do not have a conflict, the Board member with a conflict may be excused from the discussion of the pending contract, decision or other action, in which case such Board member shall not be present or participate in the Board's evaluation of the issue.

4.2 Voting. A Board member who has a conflict of interest shall be considered present for purposes of establishing a quorum and may vote on any matter related to consideration of the contract, decision or other action implicated by the conflict of interest.

5. Reconsideration of Decisions Impacted by Questionably or Improperly Handled Conflict of Interest.

5.1 Effect of Non-Compliance. The actions of the Board on any conflict of interest transaction shall be considered valid, binding and authorized, and will not be voidable by an Owner or on behalf of the Association, where: (1) the facts of the conflict are known by or disclosed to the Board and a majority of the Board members without a conflict vote in favor of the proposed contract, decision or other action in good faith, even though such disinterested Board members would be less than a quorum; or (2) the facts of the conflict are known by or disclosed to the Owners entitled to vote thereon, and the conflicting interest transaction is specifically authorized, approved, or ratified in good faith by a vote of the Owners entitled to vote thereon; or (3) the conflicting interest transaction is fair as to the Association.

5.2 Reconsideration/Ratification. Where the Board identifies a previous contract, decision or other action which was adopted under circumstances where non-compliance with this policy is probable and subsections (1), (2), or (3) of Article 5.1, above, are not satisfied, the Board shall, at an open meeting, take the matter up for reconsideration. At such meeting:

5.2.1 The Board member with a conflict of interest shall fully identify and disclose the conflict as provided above; and

5.2.2 The Board shall discuss whether, after having considered the matter in good faith, the contract, decision or other action should be ratified by a new vote in compliance with this Policy; and

5.2.3 The Board shall conduct a new vote on the question of ratification, which shall satisfy the requirements of Article 5.1 of this Policy.

6. No Loans to Board Members. No loans shall be made by the Association to its Board members or officers. Any Board member or officer who assents to or participates in the making of a loan prohibited by this section shall be liable to the Association for the amount of such loan until it is repaid.

7. Board Member Education.

7.1 Existing Directors. Upon adoption of this Policy, the Association Secretary shall provide all existing Directors with a copy of this Policy.

7.2 New Directors. Following adoption of this Policy, the Association Secretary shall promptly provide all new members of the Board elected or otherwise seated on the Board with a copy of this Policy.

7.3 Annual Refresher. At least annually, the Board shall discuss this Policy and its requirements.

8. Variations. The Board may from time to time vary from the requirements set forth in this Policy if the Board determines in its sole discretion that such variance is reasonable under the circumstances.

9. Amendment. This Policy may be amended from time to time by the Board.

CEDAR PARK ROAD MAINTENANCE CORPORATION
RESERVE POLICY
Effective: December 8, 2013

1. Introduction.

The Board of Directors (“Board”) of Cedar Park Road Maintenance Corporation, a Colorado nonprofit corporation (“Association”), acting pursuant to the powers set forth in the Association’s Bylaws, Articles of Incorporation, the Protective Covenants for Cedar Park (“Declaration”) (such documents being collectively referred to as the “Association Documents”), and the Colorado Common Interest Ownership Act, as amended (“CCIOA”), has enacted the following Policy effective as of the date set forth above. Unless the context otherwise indicates, capitalized words and terms shall have the meanings set forth in the Association Documents and, if not defined in the Association Documents, then as set forth in CCIOA. This Policy supersedes any previously adopted Policy on the same subject matter.

2. Policy Purposes. The purposes of this Policy are to:

2.1 Provide, through a reserve study, a tool for the Association to identify components of the community that the Association is responsible to maintain, repair and replace, to determine the useful life of those components, to establish a maintenance, repair and replacement schedule for those components, and to establish a plan for funding such maintenance, repair and replacement.

2.2 Manage the investment of the Association’s reserve funds (“Reserve Funds”) in a prudent manner to preserve them for their intended uses, structure the maturities of Reserve Fund investments so that the Association will have liquid assets available for its anticipated needs, and realize appropriate returns on the Association’s Reserve Fund investments.

3. Reserve Study.

The Association shall have a reserve study prepared and periodically updated (any reserve study, together with any updates, being collectively referred to in this Policy as the “Reserve Study”) for those components of the community maintained, repaired and replaced by the Association. The Reserve Study shall be prepared at least once during each three to five year period (with the first three to five year period commencing January 1, 2012), or more frequently if determined necessary by the Board in its sole discretion. The Reserve Study may be prepared by the Association, its managing agent or by a qualified outside consultant. The Reserve Study shall be based on both a physical analysis and a financial analysis of the components for which the Association has maintenance, repair and replacement responsibility.

4. Funding Plan for Work Recommended by Reserve Study.

The Board shall adopt a plan for funding any work recommended by the Reserve Study, which plan shall be updated from time to time as deemed necessary by the Board in its sole discretion (the funding plan, together with any updates, being collectively referred to in this Policy as the “Funding Plan”). The Funding Plan shall take into consideration the cost of

maintenance, repair and replacement of the community components for which the Association is responsible, the impact of inflation, the projected funding sources for the work (including assessments collected from the owners and revenue generated from invested Reserve Funds), as well as any other factors considered advisable by the Board. The goal of the Funding Plan shall be to maintain Association reserves at an adequate level to provide for the timely maintenance, repair and replacement of the community components for which the Association is responsible so as to minimize the risk to the owners of special assessments, deferred maintenance and unfunded losses. The Funding Plan will require the Association to maintain a positive Reserve Funds balance but the Reserve Funds need not be 100% of the amount necessary to fully fund the work identified in the Reserve Study.

5. Investment of Reserve Funds.

5.1 Segregated Accounts. All Reserve Funds shall be maintained in an account or accounts separate from the Association's operating account or accounts.

5.2 Types of Investments. The Board shall invest the Association's Reserve Funds in one or more of the following types of investments:

- FDIC-insured interest bearing liquid bank accounts (money market deposit accounts) with no more than the maximum FDIC-insured amount in any one financial institution.
- FDIC-insured certificates of deposit with no more than the maximum FDIC-insured amount in any one financial institution.
- Money market funds that invest only in United States Treasuries and Treasury-backed securities.
- Treasury bills, notes or bonds purchased with the intent to hold to maturity.
- Any other type of investment that is (a) FDIC-insured or guaranteed by the United States government (but only to the extent of such insurance or guarantee), or (b) an obligation of the United States government.

5.3 Liquidity. The Board shall maintain from time to time a sufficient portion of its Reserve Funds in one or more liquid accounts to meet required expenditures for repairs or replacement that the Association will incur before its non-liquid assets mature.

5.4 Laddering of Non-Liquid Investments. The Association's non-liquid investments should be structured with laddered maturity dates so that the investments mature during successive time periods. The length of maturities should be based on market conditions and the Association's anticipated maintenance, repair and replacement needs. This laddering strategy is intended to provide the Association with the benefit of longer term interest rates, which are customarily higher than short-term rates, while maintaining sufficient liquidity from time to time to meet the Association's maintenance, repair and replacement schedule.

5.5 Investment Advisor. The Board may retain a professional investment advisor to assist in investing its Reserve Funds pursuant to this Policy.

5.6 Control and Review of Investments. All Reserve Funds will be held in accounts titled in the name of the Association. Any withdrawal or transfer of Reserve Funds requires the signatures of at least two Association officers or directors. The Board will review the periodic account statements sent to the Association for the Reserve Funds at the next Board meeting following the Association's receipt of the statements. Based on this review, the Board may make any adjustments to the investments as necessary to maintain competitive yields.

5.7 Standards of Conduct. In making decisions regarding the investment of Association Reserve Funds, the officers and directors shall act in good faith, with the care that ordinarily prudent persons in a like position would exercise under similar circumstances, and in a manner the officers or directors reasonably believe to be in the best interests of the Association, pursuant to the Colorado Revised Nonprofit Corporation Act.

6. Variances.

The Board may from time to time vary from the requirements set forth in this Policy if the Board determines in its sole discretion that such variance is reasonable under the circumstances.

7. Amendment.

This Policy may be amended from time to time by the Board.

CERTIFICATION

The undersigned, being the duly elected and acting Secretary of the Cedar Park Road Maintenance Corporation, a Colorado nonprofit corporation ("Association") certifies that the foregoing Reserve Policy was approved by the vote of a majority of the Association's Directors at a meeting of the Association's Board of Directors held on December 8, 2013.

The Board of Directors (“Board”) of Cedar Park Road Maintenance Corporation, a Colorado nonprofit corporation (“Association”), acting pursuant to the powers set forth in the Association’s Bylaws, Articles of Incorporation, the Protective Covenants for Cedar Park (“Declaration”) (such documents being collectively referred to as the “Association Documents”), and the Colorado Common Interest Ownership Act, as amended (“CCIOA”), has enacted the following Policy effective as of the date set forth above. Unless the context otherwise indicates, capitalized words and terms shall have the meanings set forth in the Association Documents and, if not defined in the Association Documents, then as set forth in CCIOA. It is the intent of this Policy to provide a framework for the collection of past due Assessments in a timely and efficient manner.

3. Collection of Unpaid Assessments. To assist with the collection of unpaid Assessments in a timely and efficient manner, the Association shall do the following:

If any Assessment is not paid within 30 days after the due date, a monthly late charge in an amount determined from time to time by the Board (or if not so determined by the Board, then in the amount of \$25.00) will be assessed against the delinquent Owner. Furthermore, delinquent Assessments shall bear interest from the date of delinquency at the rate of 18% per annum. The Association shall send any delinquent Owner a letter demanding payment. The demand letter shall be mailed by regular United States mail.

3.2.1 File an Assessment lien against the delinquent Owner’s property;

3.2.2 Commence and maintain legal proceedings (lawsuits seeking personal judgments and foreclosure actions) for the recovery of delinquent Assessments, late fees, interest, attorney fees and costs as may be allowed by the Association Documents or CCIOA;

3.2.3 Pursue collection of judgments obtained against Owners;

3.2.4 Take all other lawful action necessary to collect delinquent Assessments in accordance with the Association Documents and Colorado law; and

3.2.5 Suspend the voting rights of the delinquent Owner during the duration of the delinquency.

If the Association fails to follow the procedures set forth above it shall not be construed as any waiver or release of a delinquent Owner's obligation to pay Assessments or the Association's right to collect the Assessments in accordance with the Association Documents and CCIOA.

4. Association's Attorney Fees and Costs. Any delinquent Owner shall be responsible for attorney fees and costs incurred by the Association in the collection of past due Assessments, whether or not a lawsuit is commenced, in accordance with the Association Documents and CCIOA.

5. Foreclosure and Bankruptcy Notices. If the Association receives any bankruptcy or foreclosure notice regarding an Owner with unpaid Assessments, the Association may seek advice from its attorney regarding the appropriate action to be taken.

If the Association, through its attorney, has sent a demand letter, filed a lien or commenced legal proceedings against an Owner in order to collect unpaid Assessments, the Association shall forward any bankruptcy or foreclosure notice received to the attorney.

6. Variations. The Board may from time to time vary from the requirements set forth in this Policy if the Board determines in its sole discretion that such variance is reasonable under the circumstances.

7. Amendment. This Policy may be amended from time to time by the Board.

2. Policy Purposes. The purposes of this Policy are to:

2.1 Set forth procedures and rules to promote the consistent enforcement of the Association Documents;

2.2 Provide a framework for mediation of disputes between the Association and Owners, except those related to collection of past due assessments or matters that may require an injunction, restraining order or protection order; and

2.3 Provide Owners with notice of the schedule of fines for violations of the Association Documents.

3. Mediation.

3.1. Request for Mediation. In the event of a dispute between the Association and any Owner, except disputes regarding past due assessments or any matter that may require an injunction, restraining order or protection order, either the Association or an Owner may request mediation by an independent, third-party mediator. A request for mediation (“Request”) must be in writing and mailed to the Association or Owner by U.S. Mail, first class postage prepaid to such address for the recipient shown by the public records. The Request shall be considered effective three days following deposit in the mail. The parties shall make reasonable efforts to select a mediator and schedule mediation of the dispute within 30 days after the effective date of the Request, or such longer time as the parties may agree upon in writing. If the mediation does not occur within 30 days (or longer if so agreed in writing), or the parties are unable to settle the dispute through mediation, the Association or Owner may pursue any other lawful remedy allowed by the Association Documents or Colorado law.

3.2 Mediation Fees and Costs. Fees and costs associated with the mediation, including payment of fees to the mediator, shall be paid as follows:

3.2.1 The requesting party shall pay the mediator in advance for the first two hours of mediation.

3.2.2 If the mediation lasts more than two hours, the mediator's fees for time beyond the first two hours shall be divided equally between the Association and Owner(s), and paid at the conclusion of the mediation.

3.2.3 The Association and any participating Owner may be represented by their respective attorneys at the mediation. Each party shall pay their respective attorney fees associated with the mediation.

3.2.4 If an Owner requests mediation but fails to appear at the date and time scheduled for the mediation, the Owner shall pay all expenses of the Association related to the mediation, including attorney fees and costs, and those expenses shall be assessed against the Owner as part of the Owner's Assessment.

3.3. Continuation of Hearing and Imposition of Fines. A request for mediation shall not suspend or stay any hearing or imposition of fines in accordance with the Fine Policy set forth below. Any fines imposed prior to or after a request for mediation shall remain in place or continue to accrue (in the event of a continuing violation where a daily fine is imposed) pending mediation of the dispute. Unless otherwise agreed at mediation, such fines shall remain legally collectable as Assessments in accordance with the Association Documents and Colorado law.

3.4. Continuation of Legal Proceedings. If a lawsuit for the collection of Assessments or enforcement of the Association Documents is commenced prior to receiving a request for mediation, such request shall not suspend or stay the lawsuit. The lawsuit shall continue forward, in addition to the mediation process described above, unless otherwise agreed upon by the parties in writing.

4. Fine Policy, Notice and Hearing Procedures.

4.1 Fine Policy. The Association may levy fines for violations of the Association Documents in accordance with the following fair and impartial fact-finding process which is designed to determine whether the alleged violation actually occurred and whether the owner allegedly violating the Association Documents is the one who should be held responsible for the violation.

4.2 Notice of Violation ("Notice"). The Notice of Violation process is as follows:

4.2.1 The Association or any member of the Association may report a violation. If reported by a member, the member should report the violation in writing to the Association at the Association's address. If the violation is of the type that can be readily photographed, any report of the violation should include one or more photographs of the violation.

4.2.2 The Board will verify the violation and issue a written Notice to the violating Owner. The Notice will describe the nature of the violation, the time frame for

correcting the violation (expressed as a certain number of days after the effective date of the Notice as determined below), and state that the Association may seek to remedy the violation and otherwise protect its rights as specified in the Association Documents and as provided by law.

4.2.3 The Notice, together with a copy of this Policy, will be sent via U.S. Mail, first class postage prepaid, addressed to the last registered address of the Owner as listed in the Association's records. The Notice will be considered effective three days after it is deposited in the mail.

4.2.4 The Owner receiving the Notice then has the amount of time specified in the Notice to correct the violation.

4.2.5 If the violation is not corrected within the specified time, a fine is levied starting on the first day after the time period for correcting the violation expires, subject to the Request for Hearing provisions below.

4.3 Requests for Hearing. Any Owner receiving a violation Notice has the right to request a hearing before the Board as the Association's impartial decision-maker. To request a hearing, the Owner must contact the Association in writing within four days after the effective date of the Notice. The Association's Board shall then set a date for the hearing. If the hearing, for whatever reason, cannot be held prior to the date when the fine is otherwise scheduled to commence, the date the fine begins shall be extended to the day following the hearing. No Board member may have any direct personal or financial interest in the outcome of the hearing process. A Board member shall not be deemed to have a direct personal or financial interest in the outcome if the Board member will not, as a result of the outcome, receive any greater benefit or detriment than will the general membership of the Association. Any Board member who does have any direct personal or financial interest in the outcome of the hearing process shall not participate in the hearing. The purposes of the hearing are to (1) determine if the Owner receiving the Notice should be held responsible for the alleged violation, (2) evaluate any mitigating circumstances, and (3) make arrangements for bringing the violation into compliance over a period of time if warranted.

The hearing process will not and cannot be used to determine if a particular provision of the Association Documents is desirable.

4.4 Hearing Procedure. The general procedure for the hearing is as follows:

4.4.1 The presiding Board member shall (1) establish a quorum, (2) explain the Fine Policy and procedures, and (3) describe the nature of the violation as specified in the Notice.

4.4.2 The Owner may then provide rebuttal to the Notice using witnesses or any other information deemed relevant and necessary.

4.4.3 After all testimony and other evidence has been presented, the Board shall decide whether the Owner should be held responsible for the alleged violation. If the

Board finds that the Owner has violated the Association Documents, a fine shall then be assessed by the Board or mutually agreeable arrangements made with the Owner to ensure correction of the violation and compliance in the future. If the Board finds that the Owner should not be held responsible for the alleged violation, then (1) no fine shall be assessed, and (2) the Association shall not allocate to that Owner's Association account any of the Association's costs or attorneys' fees incurred in asserting or hearing the alleged violation.

4.5 Fines. If an Owner fails to timely correct a violation, the Board has the right to assess a one-time fine in the amount of \$100 - \$5,000 (as the Board deems reasonable and necessary to promote correction of the violation). In addition, the Board may assess daily fines for any continuing or persistent violation in the amount of \$15 - \$50 per day (as the Board determines to be reasonable and necessary to promote correction of the violation) until the Owner has corrected the violation. The Owner is responsible for notifying the Association in writing if and when the violation has been corrected. Any daily fine shall continue at the stated rate until the earlier of (a) the date on which the Owner gives written notice of correction, regardless of when the violation was corrected, or (b) 120 days after commencement of the daily fine.

4.6 Injunction. If the violation has not been corrected within 120 days after commencement of a daily fine, or after imposition of a one-time fine, the Association may commence the necessary legal proceedings under the Association Documents or under Colorado law to compel correction of the violation as well as to recover any unpaid fines, court costs, attorneys' fees and other Association expenses arising from the violation. Nothing in this paragraph shall preclude the Association from commencing legal proceedings to correct the violation prior to expiration of the 120 day period.

4.7 Collection of Fines. Assessed fines shall be billed to the Owner by U.S. Mail, and are legally collectable as Assessments in accordance with the Association Documents and Colorado law. The fines are the personal obligation of the violating Owner and, in addition, constitute a lien against such Owner's property. Furthermore, the violating Owner is responsible for all costs and reasonable attorney fees incurred by the Association as a result of the violation.

4.8 Repeat Violations. A "repeat violation" is a violation committed by an Owner which is the same as the original violation committed by that Owner, and which occurs within twelve months after the original violation. A repeat violation is considered a continuation of the original violation, and thus an Owner committing a repeat violation is not entitled to the same hearing procedures set forth above. However the Association shall provide Notice of the repeat violation to the Owner in accordance with Section 4.2 above. If the repeat violation has not been corrected within the time period specified in the Notice for correction of the violation, then the fine (which will be determined by the Board and may be up to double the amount of the fine assessed for the original violation) will commence upon the expiration of the correction time period, notwithstanding any other provisions of this Fine Policy to the contrary. An Owner committing a repeat violation shall have no right to a hearing on such repeat violation before the Board.

4.9 Fines Not Exclusive Remedy. Fines levied under this Policy are not the Association's exclusive remedy for addressing a violation. Nothing in this Fine Policy precludes the Association from pursuing any other remedy provided under the Association Documents or under Colorado law for correcting the violation.

5. Variations. The Board may from time to time vary from the requirements set forth in this Policy if the Board determines in its sole discretion that such variance is reasonable under the circumstances.

6. Amendment. This Policy may be amended from time to time by the Board.

CEDAR PARK ROAD MAINTENANCE CORPORATION
POLICY AND PROCEDURES FOR ADDRESSING DISPUTES WITH OWNERS
Effective: December 8, 2013

1. Introduction.

The Board of Directors (“Board”) of Cedar Park Road Maintenance Corporation, a Colorado nonprofit corporation (“Association”), acting pursuant to the powers set forth in the Association’s Bylaws, Articles of Incorporation, the Protective Covenants for Cedar Park (“Declaration”) (such documents being collectively referred to as the “Association Documents”), and the Colorado Common Interest Ownership Act, as amended (“CCIOA”), has enacted the following Policy effective as of the date set forth above. Unless the context otherwise indicates, capitalized words and terms shall have the meanings set forth in the Association Documents and, if not defined in the Association Documents, then as set forth in CCIOA. This Policy supersedes any previously adopted Policy on the same subject matter.

2. Policy Purposes. The purposes of this Policy are to:

2.1 Set forth procedures to promote amicable resolution of disputes; and

2.2 Provide an optional framework for addressing disputes between the Association and Owners, but to protect the Association and other Owners from delay or an adverse effect on their rights by allowing proceedings to collect past due assessments, to remedy violations of Association Documents or any matter that may require an injunction, restraining order or protection order to proceed on a parallel track independent of the optional dispute resolution framework described in this Policy.

3. Types of Disputes.

3.1 Matters involving past due assessments are not ordinarily considered disputes subject to this Policy. Rather, these are considered collection matters to be handled in accordance with the Policy for Collection of Unpaid Assessments. If any Owner claims that payment of assessments should be excused or offset by any alleged act or omission of the Association, such Owner’s claim will be considered a dispute subject to the procedures in this Policy.

3.2 Enforcement actions regarding violations of the Association Documents, including proceedings seeking compliance by way of injunctive relief and/or proceedings to impose fines, shall be handled in accordance with the Policy for Enforcement of Covenants and Rules (Including Notice and Hearing Procedures and Schedule of Fines). If any Owner claims that any enforcement action should be abated because of any act or omission by the Association, such claim of abatement shall be considered a dispute subject to the procedures of this Policy.

3.3 All other disputes arising between the Association and any Owner shall be addressed as set forth in this Policy.

3.4 The types of disputes described above which are subject to this Policy are collectively referred to as “Disputes.”

4. Notice of Dispute.

In the event of a Dispute between the Association and any Owner, either the Association or an Owner may provide written notice ("Notice") of the Dispute by U.S. Mail, first class postage prepaid to such address for the recipient shown by the public records. The Notice shall be considered effective three days following deposit in the mail. The Notice must contain specific information regarding the facts, circumstances and concerns giving rise to the Dispute.

5. Resolution or Mediation of Dispute.

5.1 Request for Mediation. Within thirty (30) days of receipt of the Notice, the Association and Owner shall make good faith efforts to discuss and resolve the Dispute amicably. If the parties are unable to reach an amicable resolution of the Dispute, either the Association or an Owner may request mediation by an independent, third-party mediator. A request for mediation (“Request”) must be in writing and mailed to the Association or Owner by U.S. Mail, first class postage prepaid to such address for the recipient shown by the public records. The Request shall be considered effective three days following deposit in the mail. The parties shall make reasonable efforts to select a mediator and schedule mediation of the Dispute within 30 days after the effective date of the Request, or such longer time as the parties may agree upon in writing. The parties shall make reasonable efforts to use free or low cost mediation services to minimize expenses (i.e.: the Neighborhood Resources Office with the City of Fort Collins), if available. If the mediation does not occur within 30 days (or longer if so agreed in writing), or the parties are unable to settle the Dispute through mediation, the Association or Owner may pursue any other lawful remedy allowed by the Association Documents or Colorado law.

5.2 Mediation Fees and Costs. Fees and costs associated with the mediation, if applicable, including payment of fees to the mediator, shall be paid as follows:

5.2.1 The requesting party shall pay the mediator in advance for the first two hours of mediation.

5.2.2 If the mediation lasts more than two hours, the mediator’s fees for time beyond the first two hours shall be divided equally between the Association and Owner(s), and paid at the conclusion of the mediation.

5.2.3 The Association and any participating Owner may be represented by their respective attorneys at the mediation. Each party shall pay their respective attorney fees associated with the mediation.

5.2.4 If an Owner requests mediation but fails to appear at the date and time scheduled for the mediation, the Owner shall pay all expenses of the Association related

to the mediation, including attorney fees and costs, and those expenses shall be assessed against the Owner as part of the Owner's Assessment.

5.3 Continuation of Hearing and Imposition of Fines. A Notice or Request by an Owner based on a matter where the Owner is asserting a defense or excuse shall not suspend or stay any fine hearing or imposition of fines in accordance with the Policy for Enforcement of Covenants and Rules (Including Notice and Hearing Procedures and Schedule of Fines). Any fines imposed prior to or after a Notice or Request is provided shall remain in place or continue to accrue (in the event of a continuing violation where a daily fine is imposed) pending mediation of the Dispute. Unless otherwise agreed by both parties, such fines shall remain legally collectable as Assessments in accordance with the Association Documents and Colorado law.

5.4 Continuation of Legal Proceedings. A lawsuit for the collection of Assessments or enforcement of the Association Documents may be commenced prior to or after receiving a Notice or Request, and such request shall not suspend or stay the lawsuit. The lawsuit shall continue forward, in addition to the mediation process described above, unless otherwise agreed upon by the parties in writing.

6. Variances.

The Board may from time to time vary from the requirements set forth in this Policy if the Board determines in its sole discretion that such variance is reasonable under the circumstances.

7. Amendment.

This Policy may be amended from time to time by the Board.
