Agenda

Call to order .....Mary Hill  
Introductions ..... Mary Hill  
Are there any additions to the agenda?  
Treasurer's report..... David Maslowski

P.I.D status reports.....Board Members

- Road Runner Grading LLC – awarded contract for annual road maintenance
- A-1 chip seal repair
- Flood damage work to be done
- CFL (central federal lands) scope of work for .8 miles(Forest Service portion) of access road

In the works:

- Snow removal for 2015/2016 & beyond

Down the road:

- Formulation of long term (10 year) plans for road maintenance and researching all options for long term solutions. This planning will commence after the Forest Service, Central Federal Lands and the County have completed the work on our roads that they have planned.
- Consideration of future access road chip seal from bridge to switch backs

Sign in sheets

- Sheet is available if you would be available to volunteer for future pot hole filling or other road maintenance – please provide preferred method of contact
- Sheet is available to list your e-mail address if you are not part of the Yahoo group and wish to receive Road info

Open discussion, questions, comments and ideas.

Motion to adjourn.....Board Member
